TEAM CAPTAIN & CO-CAPTAIN RESPONSIBILITIES

The Team Captain is listed as the first name on the team's roster. The Team Captain is the leader/director of the Team. The Team Captain must have a contact number available on file to allow for quick and effective communication with the League Office. The Team Captain's responsibilities and duties include:

- Making sure the team is at the appointed place on time.
- Collecting weekly League fees and APA membership dues from the team.
- Players who are not on the Roster and are being added to the team the first four weeks of play: In order to play, the Team Captain should call the office to verify the player and to obtain a current skill level ranking and membership number before adding the player to the team. This should happen prior to official start time. An updated membership application for the person being added must be attached and sent in with the team's scoresheet. If the player's membership is due, they should send in no less than \$15 in order to play with \$10 balance due to be paid the following week.
- When adding a "new" player to the team, a membership application should be filled out and sent in along with Membership dues.
- Teams have the first 4 weeks of play to add/drop players to the Roster. Anyone who adds a player after the 4th week of play will automatically be flagged as using the "Survival Rule". Definition of Survival Rule: It is recognized that there are teams that struggle in a session due to players that quit showing up. The "Survival Rule" allows those teams to pick up players after the 4th week of play. Teams that use the "Survival Rule" are not eligible for division playoffs. Qualified teams lose their eligibility. Team Captain's must contact the League Operator for approval to use the "Survival Rule".
- Submitting weekly fees, membership applications, and properly noting payment information on the bottom left corner in the Fee's Section located on the Scoresheet. At the end of the session should teams owe money, League Management will flag players according to the records shown on the scoresheets. Any unrecorded fees that have not been properly recorded will be flagged to the Team Captain at the end of the session.
- Distributing information from the League Office to all members of the team. Letting players know about upcoming tournaments. Sharing flyers, newsletters, etc.
- Setting a good example for conduct and good sportsmanship of the team.
- Making sure that proper and accurate scorekeeping procedures are followed.
- Returning team envelopes to the drop off location on time.
- Communication with the League Office to set up Rescheduled matches due to Tri-Cups, LTC, NTC, etc. within the allotted time. See Rescheduling Matches.

- Should a qualified team decide to change their name during the League year, the Team Captain must immediately inform the League Operator of the change.
- Team Name Guidelines: To preserve the integrity of our organization, offensive Team Names should not be used. We encourage you to visit poolplayers.com for a list of “Team Names Not Allowed”.
- The Co-Captain is listed as the second name on the team’s roster. They help with the team and fill in for the Team Captain when the Captain is not present.

\$\$\$\$\$ NEAR A PLAYERS NAME

Players who have \$\$\$\$\$ next to their name owe money to the League Office and must pay these “Past Dues” in order to play. A payment plan may be arranged but must be approved by the League Operator. Please call the Office 337-407-2267 for further details!

Teams that play players with \$\$\$\$\$ next to their name without sending the full amount to the League Office are subject to loss of all points for the night.

NSF CHECKS

APA Acadiana Pool League is not responsible for cash that is sent via the paperwork. We recommend all weekly dues be paid by check or money order, made payable to “APA Pool League”.

There is a \$25 NSF charge for any returned check. The maker of the check will be flagged \$\$\$ next to their name for the \$25 NSF charge. The amount of the check for League fees will be debited back to the team. Notices will be sent to the team and the maker of the check.

Example: John Smith sent \$35 for weekly fees for his team. The check is returned due to nonsufficient funds. A notice is sent to the team and John Smith. \$35 is debited to the team. \$25 NSF charge is flagged to John Smith.

For NSF checks that are just from the individual player, the amount of the check and the NSF charge will be flagged to that individual player.

Traveling teams that do not return the paperwork by the specified day and time will be sent a notice.

Continual Late Paperwork: The team will be sent a notice and assessed a \$20 late charge or must bring the paperwork to the League Office located at—

5343 Highway 182, Opelousas, LA 70570

When paperwork is not turned in on time—
Skill Levels CANNOT be updated.

Therefore:

Should a team continually fail to turn the paperwork in on time, the traveling team must bring in the paperwork to the League Office or be assessed a \$20 late charge.

Example:

According to the Schedule, Team #11 plays Team #12. At the end of the night, Team #12 “traveling team” collects both of the scoresheets and fails to turn in the paperwork to the designated drop-off on time. Team #12 will either bring the paperwork to the League Office or pay the \$20 late charge.

This late charge is in no way an attempt to make extra money. The object is to get the paperwork turned in on time. Please help us to be prompt and efficient. Turn your paperwork in on time and avoid any unnecessary inconvenience. Thanks!

RESCHEDULING MATCHES

Severe Weather Policy: On occasion team's may have to reschedule matches due to inclement weather. There will be no forfeits awarded to teams due to "No Shows" because of inclement weather. League Management acknowledges, "No pool match is worth compromising a player's safety". Local weather and travel advisories shall be observed and followed. Rescheduled matches due to inclement weather should be made up within two weeks of the original match, unless pre-approved by the League Operator.

Filling a "Bye": If a Bye is filled in a division, a rematch will be required. These types of reschedules should be done within two weeks of the original match, unless pre-approved by the League Operator.

Rescheduling due to Vacations, Holiday's, Birthday's, Illnesses: These types of reschedules should be played in advance and should be pre-approved by the League Operator. The team schedule is provided in advance which gives the team plenty of time to make prior arrangements. Paperwork will be sent out early to play.

All 8-Ball Open, 9-Ball Open, Ladies, 8-Ball Doubles and 9-Ball Doubles Divisions Make-up matches: Rescheduling one or two matches because a team is missing a couple of players for the night due to players that didn't show up, were working late, wasn't feeling well, team couldn't comply with the 23-Rule, etc. These types of rematches will no longer be allowed.

TEAMS SHOULD FOLLOW the General Rules—14. FORFEITS on page 27 of our OFFICIAL TEAM MANUAL.

BANNED PLAYERS

If a player on your team has been banned from a tavern or location, then the team should play without him/her. There are eight (8) players on a team. In a case where a player is prohibited from entering a location, it is recommended that the Team Captain make sure the other seven (7) players are available. The team schedule is provided in advance which gives the team plenty of time to make prior arrangements.

****Bar owners have the right to prohibit people from entering their establishment. League Management CANNOT make the Bar owner allow people whom they prohibit.**

Question: A team has a player who is “barred” from a Host Location. The team is requesting matches be played on “Neutral Ground”. What is the rule?

Answer: Actually there is no neutral ground. League should be played at the “Home” Host location. That is the agreement the League makes with all Host locations. Whichever bar is listed as the “Home” Host location is where League play shall be for that night.

HOW TO SPEED UP NIGHTLY LEAGUE PLAY

- Teams should be on time and ready to play.
- Teams should take no longer than two minutes when choosing the next player.
 - Coaching/Time-Out periods should not exceed one minute.
- Players should be ready to shoot as soon as the previous match is over.

SPORTSMANSHIP

Good sportsmanship is fundamental to the success of any game. Friendly competition is encouraged in the APA League; however a respectable poolplayer knows when to leave the table should good sportsmanship go bad.

Our Official Team Manual states: “Good Sportsmanship is essential in pocket billiards as in any sport. Repeated complaints against you can lead to cancellation of your membership in the APA. In addition, if you disrupt the League by consistently arguing and disagreeing with League rules and policies, you may face loss of membership.”

A FEW EXAMPLES OF POOR SPORTSMANSHIP:

- Cheering when your opponent misses the ball.
- Making rude comments and gestures toward the opposing team or a particular player.
- Arguing with your opposing team over rules and policies.

Think about the poor message you send out about your team when you or someone on your team behaves badly. The next time your opponent misses a ball or makes a mistake, instead of cheering, display good sportsmanship by saying “Good try” or keep your comments to yourself!

Most importantly remember:

In the game of pool, WIN without gloating and LOSE without complaining.

OFFICIAL FORMAL COMPLAINT

All complaints will be taken seriously and must be filed in this manner:

1. Contact the League Operator Immediately. Preston or Lisa Granger 337-407-2267 Office.
2. Fill out complaint form completely and sign.

3. Return in paperwork for review.

REFUSAL TO DO BUSINESS WITH

At any time, at the sole discretion of the League Operator, APA Acadiana can refuse to do business with any individual regardless of whether the individual's APA membership is in good standing. Most often, players who are unwelcome in the League will be those who are disruptive to the League, repeatedly complain about handicaps or who otherwise deride the League in public
